Online Teaching

Dear Students as you all know that in accordance with the instructions of the Government and Higher Education Commission, all on-campus educational activities are suspended till April 5, 2020, as a measure to safeguard against the spread of COVID-19. However, to make sure that your time is not wasted, IAC faculty and staff will be working on rolling out the IAC online and distance learning program. We hope that we will be fully prepared with this alternate system in the next two days and together we will continue our learning and educational endeavors from Wednesday onwards.

You will be informed regarding the online teaching program by the Academic focal person, the Dean or your School Coordinators. Their contact numbers have been shared with you earlier and are also available on the IAC website.

If you have any queries please don't hesitate to contact the School Coordinators. We hope that this troubled time will pass very soon and we pray for your safety. Take care of yourself and your family.
